

Naval Engineering Support Team Hardware Library

For more information on the NEST hardware library contact:

Damien Bretall	damien.bretall@navy.mil	301-227-1604
Paul Strano	paul.strano@navy.mil	301-227-1326
Ben Ruppel	benjamin.ruppel@navy.mil	301-227-4916

To borrow hardware, complete the following Terms of Agreement form, and send it to us by either:

- Scan and Email to addresses above
- Fax to 301-227-4615 (Attn: Damien Bretall)
- Mail to: NSWCCD
Attn: Damien Bretall (Bldg 4E, Rm. 214)
9500 MacArthur Blvd.
W. Bethesda, MD 20817-5700

Terms of Agreement

Date of Request: _____
 Team Name: _____
 School / Affiliation: _____
 Item Requested: _____

We agree to return this item in the same (or similar) shipping materials in 3 weeks from the date it is received. NEST understands the hardware is being used in field testing and will therefore be subjected to environmental and operational elements; never the less, it is expected that the borrower will follow the manufacturer's guidelines for installation and operation to ensure minimal damage.

It is understood that the borrower will follow the shipping schedule as closely as possible. Failure to do so may lead to a forfeiture of future borrowing privileges. Extensions can not be guaranteed due to limited hardware availability. Teams must follow the schedule to ensure other teams get the same opportunity to borrow equipment. Teams may re-submit to borrow an item after the hardware is returned to the library.
